

MUTUAL BENEFIT HEALTH & ACCIDENT ASSOCIATION

OMAHA

(Herein called the Association)

IN CONSIDERATION of the application of

GOVERNMENT EMPLOYEES HEALTH ASSOCIATION, INC.

(Herein called the Policyholder)

for this policy, copy of which application is attached hereto and made a part hereof, and in consideration of the payment by the Policyholder of the initial premium and of the payment thereafter by the Policyholder, during the continuance of this policy, of all premiums as they become due, as herein-after provided,

HEREBY AGREES to pay, with respect to the protected persons insured hereunder, in accordance with and subject to all the terms, conditions and limitations of this policy, the benefits described herein, if and when any such protected person becomes entitled thereto.

The term of this policy begins on the effective date September 6, 1960, at 12:01 A.M. Standard Time of the place where the main office of the Policyholder is located and ends on the first anniversary thereof, as set forth hereinafter, but the policy may be continued, as hereinafter provided, upon due payment of premiums.

The provisions set forth on the following pages are a part of this contract as fully as though recited at length over the signatures hereto affixed.

IN WITNESS WHEREOF, MUTUAL BENEFIT HEALTH & ACCIDENT ASSOCIATION has caused this policy to be signed by its President and its Secretary.

Secretary.

President.

GROUP POLICY NO.
GMG-1810

GENERAL PROVISIONS

1. **ELIGIBILITY.** Each person within the classes shown in the Plan of Insurance and Application shall become eligible for insurance as hereinafter provided.

All persons presently within the eligible classes shall be eligible for insurance hereunder on the effective date of the policy, except as follows: **None**

Each person who comes within the eligible classes after the effective date of this policy shall be eligible for insurance on the date on which such person has been within the eligible classes for a qualifying period of 60 days

Persons who are eligible by reason of employment but who are not actively at work when they would otherwise be eligible shall become eligible on the date of their return to active work.

2. **EFFECTIVE DATE OF INDIVIDUAL INSURANCE.** Each eligible person who makes written application for insurance hereunder during the required qualifying period, if any, or within thirty-one days from the date he becomes an eligible person, shall become a protected person on the date such application is made.

Any eligible person who makes written application more than thirty-one days after the date he becomes an eligible person or who applies for reinstatement of his insurance after it has been terminated because of failure to make any agreed contribution when due shall be required to furnish, at his own expense, evidence of insurability satisfactory to the Association and such insurance shall not become effective prior to a date determined by the Association.

3. **AMOUNTS OF COVERAGE.** The amounts for which a protected person is covered under this policy shall be those amounts applicable to his classification shown in the Plan of Insurance. If a protected person's classification changes, the amounts for which he is covered under this policy shall be adjusted to conform to his new classification effective the first day of the policy month following the date his classification changes, but only after the Association has been notified by the Policyholder of such change in classification as required under General Provision 10.

In the event of a change in classification or in the Plan of Insurance because of an increase or decrease in benefits, a protected person who is not actively at work on the date a change in the amount of his coverage would otherwise become effective shall not be entitled to such benefit change until he returns to active work.

4. **TERMINATION OF INDIVIDUAL INSURANCE.** The insurance of any protected person insured hereunder shall terminate on whichever of the following dates occurs first:

- (a) the first day of the policy month following the date within the classes of persons eligible for the insurance under this policy, or he ceases to be
- (b) the date that any contribution required on the part of the protected person is due and unpaid, or
- (c) the first day of the policy month following the date the Policyholder receives notice from the protected person that his insurance is to be terminated, or
- (d) the date this policy is discontinued, or
- (e) the date the protected person enters the armed forces on full-time active duty.

A person who is eligible for insurance because of employment shall cease to be within the classes of persons eligible for insurance upon termination of employment. Termination of employment shall, for the purpose of this insurance, be defined as cessation of active work by layoff, work stoppage, leave of absence, resignation, dismissal, being pensioned or retired or cessation of active work because of disability.

If a protected person ceases to be within the classes of eligible persons, his insurance shall terminate on the date specified in the preceding paragraphs, except that upon payment of the premium for such protected person by the Policyholder, he shall continue to be a protected person for an additional period of six (6) months in the event of leave of absence or disability.

If a protected person's insurance is terminated during a disability covered by this policy and the protected person returns to active work at the end of the period of his disability, his insurance under the policy may be reinstated as of the date of his return to work without evidence of insurability.

If, at the time of termination of insurance, the protected person is receiving benefits in accordance with the provisions of this policy, such benefits shall continue to be paid for the balance of the period for which he would otherwise have been entitled to such benefits.

5. CONTINUANCE OF POLICY. This Policy may be continued in force, in accordance with General Provisions 6, 7 and 8 relating to payment of premiums, for a further term of one year upon the payment, prior to the expiration of the grace period immediately following the anniversary date of the policy, of the premium for the insurance so continued.

If at any time the number of persons insured hereunder shall be less than 25, or less than 75% of those eligible for insurance, the Association reserves the right to decline to continue this policy on the first policy anniversary or on any premium due date thereafter.

6. EXPERIENCE RATING. On the first policy anniversary and upon each premium due date thereafter, providing the then current premium rate has been in effect for at least twelve months, the Association shall have the right to change the premium rates at which further premiums shall be computed, but no increase in premiums shall be retroactive.

The Association may, as of any anniversary date of this policy, declare a retroactive rate refund for the policy year just completed. Should a Policyholder qualify for such retroactive rate refund and should such refund exceed the Policyholder's share of the premium, the excess shall be applied by the Policyholder for the sole benefit of the protected persons.

7. PAYMENT OF PREMIUMS. The initial premium shall be due on the 6th day of September 1960, for the period ending on the 31st day of September, 1960. Subsequent premiums shall be payable monthly in advance on the 1st day of each month thereafter during the continuance of this policy. The policy anniversaries are deemed to occur on the 1st day of September of each year beginning in 1961. The premium due on the effective date hereof and on each subsequent due date shall be the sum of the individual premiums of each protected person determined according to his respective benefits and his classification at the time the premium is due.

All premiums or installments thereof are payable to the Association at the Home Office of the Association in Omaha, Nebraska, on or before each premium due date. Premiums may be paid annually, semiannually, quarterly, monthly, or any other mode mutually agreeable at the Association's rates therefor. The payment of any premium or installment thereof shall not maintain the policy in force beyond the due date of the next premium or installment, except to the extent hereinafter expressly provided. The Association operates on the full legal reserve basis and the contingent mutual liability hereunder shall not exceed one additional premium in the amount of the premium required herefor.

8. GRACE IN PAYMENT OF PREMIUMS—TERMINATION OF POLICY. A grace period of thirty-one days will be granted to the Policyholder for the payment of every premium due after the initial premium during which time this policy shall remain in force, unless the Policyholder or the Association shall have given previous notice that the policy is to be terminated as of the due date of such premium in which event no grace period will be allowed.

If such notice is not given and the premium is not paid before the expiration of the grace period, this policy may be terminated by the Association by mailing to the Policyholder written notice stating when, not less than five days thereafter, such termination shall be effective. In the event of such notice, or if written notice is given by the Policyholder to the Association during the grace period that the policy is to be terminated, the

Policyholder shall be liable to the Association for the pro rata premium for the period from the due date of such premium to the date of such termination.

The mailing of notice as aforesaid shall be sufficient proof of notice and shall terminate the policy as of the date stated in the notice. Delivery of such written notice whether by the Policyholder or the Association [REDACTED] shall be equivalent to mailing.

9. POLICY CONTRACT. This policy and the application therefor together with the individual applications, if any, of the protected persons, constitute the entire contract between the parties hereto. No change or modification may be made nor the date of payment of any premium changed except by agreement in writing signed by an officer of the Association, and the Association shall not be bound by any promise or representation affecting this contract made at any time by any person other than an officer of the Association. All statements made by the Policyholder and the protected persons shall be deemed representations and not warranties and no such statement shall avoid this policy unless it is contained in the written application therefor, a copy of which is attached hereto.

10. RECORDS—INFORMATION TO BE FURNISHED. The Policyholder shall keep a record of the protected persons, containing the essential particulars of the insurance of each such person. The Policyholder shall furnish monthly, on the Association's forms such information relating to new protected persons, adjustments because of changes in classification and termination of insurance as may be required by the Association to properly administer this insurance. The Policyholder's books and records which may have a bearing on the insurance provided under this policy shall be open to the Association for inspection at any time during the policy period and within one year after termination of the policy.

11. CLERICAL ERROR. If an eligible person made proper written application for insurance hereunder during the period specified in the first paragraph of General Provision 2 and also made the required contribution, if any, to the Policyholder, but, through clerical error, the Policyholder failed to give due notice thereof to the Association, the insurance to which such eligible person would have been entitled shall nevertheless be effective from the date specified in the first paragraph of General Provision 2 as soon as proper premium remittance to the Association is made.

12. INDIVIDUAL CERTIFICATE. The Association will issue to the Policyholder for delivery to each protected person insured hereunder an individual Certificate setting forth a statement as to the insurance benefits to which such protected person is entitled under this policy and to whom such benefits are payable.

13. EXCLUSIONS AND LIMITATIONS. This policy does not cover (a) injuries arising out of or in the course of the employment of the protected person or his dependents or sickness covered by a Workmen's Compensation Act or similar legislation, (b) hospitalization or medical or surgical treatment provided by or paid for by the United States Government or any instrumentality thereof, (c) any loss caused by war or act of war, or (d) loss incurred while engaged in military, naval or air service.

SETTLEMENT OF CLAIMS

PAYMENT OF CLAIMS. All indemnities provided by this policy other than benefits, if any, for loss of time on account of disability will be payable within sixty days after receipt of due proof.

If this policy includes indemnity for loss of time on account of disability, all accrued benefits payable for loss of time will, subject to due proof of loss, be paid each two weeks during the period for which the indemnity is payable hereunder, and any balance remaining unpaid at the end of such period will be paid immediately upon receipt of due proof.

If this policy includes indemnity for loss of life of a protected person, resulting from accidental bodily injuries, any such indemnity which may become payable shall be paid to the beneficiary designated by the protected person or, if there is no beneficiary designated or surviving, to the estate of the protected person. All other indemnities shall be payable to the protected person.

Consent of a protected person's beneficiary, if one be named, shall not be requisite to any change of beneficiary, or to any changes in this policy.

If any benefits of this policy shall be payable to the estate of the protected person or to a protected person or beneficiary who is a minor or otherwise not competent to give a valid release, the Association may pay to the hospital, physician or surgeon, on whose charge or fee claim is based, any sums due for Hospital Expense Benefits, Surgical Expense Benefits or Medical Expense Benefits toward satisfaction of any amounts still owed such hospital, physician or surgeon, and any balance of such sums and any sums due for Accident and Sickness Weekly Benefits may be paid, up to an amount not exceeding \$1,000.00, to any relative by blood or connection by marriage of the protected person or beneficiary who is deemed by the Association to be equitably entitled thereto. Any payment made by the Association in good faith pursuant to this provision shall fully discharge the Association to the extent of such payment.

MEDICAL EXAMINATION. The Association shall have the right, through its medical examiner, to examine any protected person so often as it may reasonably require during the pendency of a claim hereunder, and the right and opportunity to make an autopsy in case of death where it is not forbidden by law.

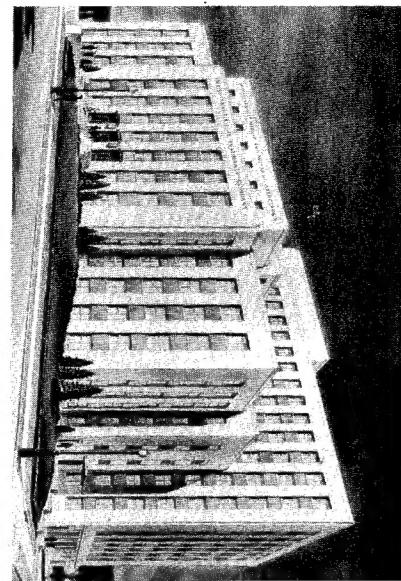

NOTICE AND PROOF OF CLAIMS. Written notice of injury or of sickness, for which claim is made, must be given the Association at its Home Office in Omaha, Nebraska, within sixty days after the date of the accident or within sixty days after the commencement of the sickness. In event of accidental death, if covered by this policy, written notice thereof must be given to the Association within twenty days after the date of death. Proof of such injury or sickness must be furnished to the Association at its Home Office in Omaha, Nebraska, within ninety days after the end of the period of disability for which claim is made. Failure to furnish notice or proof within the required time shall not invalidate nor reduce any claim if it shall be shown that notice or proof was given as soon as was reasonably possible.

The Association will furnish such forms as are usually furnished by it for filing proofs of loss. If such forms are not so furnished before the expiration of fifteen days after the Association receives notice of any claim hereunder, the person making such claim shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting within the time fixed herein for filing proofs of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

LEGAL PROCEEDINGS. No action at law or in equity shall be brought for recovery under this policy prior to the expiration of sixty days after proof of loss has been filed in accordance with the requirements of this policy and no such action shall be brought at all unless brought within three years from the expiration of the time within which proof of loss is required by this policy.

CONFORMITY WITH STATE STATUTES. Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the Policyholder resides on such date is hereby amended to conform to the minimum requirements of such statutes.

PLAN OF INSURANCE

Effective Date September 6, 1960

Classification

Class 1 - All full time active employees of
Engineering Research.

Premiums

The monthly premium for each protected person
is as follows:

| | |
|---------------------|---------|
| Class 1 | \$ 3.40 |
| Dependents. | \$10.05 |

CONVERSION PRIVILEGE

If a protected person ceases to be within the class or classes of persons eligible for insurance under this group policy, such protected person shall be entitled to have issued to him, without furnishing evidence of insurability, an individual policy, or, if the protected person's dependents were also insured under this group policy, a family policy; provided that such protected person is then under 76 years of age and makes written application and the first premium payment therefor to the Association within thirty days after termination of his insurance under this group policy. The form of the individual or family policy, the coverage thereunder, and all other terms and conditions thereof shall be as provided by the rules of the Association for such individual or family policy at the time of such application. Under the family policy the protected person may include only those of his dependents, excluding any dependent children over age 17, who were insured under this group policy on the date his insurance terminated.

The individual or family policy, if issued, shall become effective on the day the application is signed or on the date of termination of insurance under this group policy, whichever is the later, and any benefits which are payable under this group policy shall be excluded from coverage under the individual or family policy.

If a protected person, after converting to an individual or family policy, again becomes eligible for insurance under this group policy and his individual or family policy is continued in force after he again becomes eligible, such person shall be required to furnish, at his own expense, evidence of insurability before he may again become insured under this group policy. In the event a protected person has a family policy which is continued in force after he again becomes eligible for insurance under this group policy, such protected person shall also be required to furnish, at his own expense, evidence of insurability for each of his dependents before they may again become insured as dependents under this group policy.

Regardless of any provision contained in this conversion privilege, the issuance of any policy described herein shall be subject to all of the rules and regulations of the state in which application is made.

DEPENDENT INSURANCE

ELIGIBILITY. The insurance specified herein on account of Dependents is applicable only if the protected person is eligible for, has requested, and is insured for such dependent insurance.

Eligible dependents shall include the spouse of the protected person and the protected person's unmarried children, excluding in any case: *a child until less than 19* ¹⁹

suppl at 19.

- (a) a child more than 18 years of age, except that unmarried children who are ~~18~~ but less than 23 years of age are eligible if they are wholly dependent upon the protected person for support and maintenance and their time is devoted principally to attending school or college,
- (b) the spouse of the protected person, if legally separated from the protected person, and
- (c) any dependent who is eligible for insurance under the policy as a protected person.

If both husband and wife are insured under this policy as protected persons, children may be insured as dependents of the husband or wife, but not both.

A protected person's children shall include any step-children, legally adopted children, and ~~foster children~~ ^{illegitimate} provided such children are dependent upon the protected person for support and maintenance.

EFFECTIVE DATE OF DEPENDENT INSURANCE. If a protected person makes application for dependent insurance in his original application for insurance (provided such application was made during the required qualifying period, if any, or within thirty-one days from the date the protected person became eligible for insurance under this policy), such dependent insurance shall become effective on the date the protected person's insurance becomes effective. If a protected person has no eligible dependents on the date he becomes insured under this policy and subsequently acquires a dependent and makes application for insurance for such dependent within thirty-one days thereafter, such insurance for eligible dependent shall become effective on the date such application is made or the date a protected person acquires an eligible dependent, whichever is later.

If written application for dependent insurance is made at any time other than that specified in the preceding paragraph, or if a protected person applies for reinstatement of his dependent insurance after it has been terminated because of failure to make any agreed contribution when due, the protected person shall be required to furnish, at his own expense, evidence satisfactory to the Association of the insurability of each eligible dependent the protected person then has and such insurance shall not become effective prior to a date determined by the Association.

If a protected person, after his dependent insurance becomes effective, acquires an additional eligible dependent, the protected person shall be automatically insured with respect to such dependent unless the premium rate applicable to the protected person's dependent insurance would thereby be increased. If the premium rate would be increased, the protected person shall become insured with respect to such additional eligible dependent only under the conditions stated in the two preceding paragraphs.

If a dependent is confined in a hospital on the date such dependent becomes eligible or on the date a change in coverage would otherwise become effective, the dependent's insurance or change in coverage shall not become effective until final discharge from the hospital. This requirement, however, shall not apply to a new-born child confined in a hospital at birth.

TERMINATION OF DEPENDENT INSURANCE. The insurance of any dependent insured hereunder shall terminate on whichever of the following dates occurs first:

- (a) the first premium due date following the date such dependent ceases to be an eligible dependent, or
- (b) the date the protected person's coverage hereunder terminates, or
- (c) the date the protected person fails to make the agreed contribution for dependent coverage, or
- (d) the date the dependent enters the Armed Forces on full-time active duty, or
- (e) the date this policy is discontinued.

If at any time the number of protected persons insured with respect to all their eligible dependents hereunder shall be less than 75 per cent of all eligible protected persons having dependents, the Association reserves the right to decline to continue this dependent insurance on the first policy anniversary or on any premium due date thereafter.

The benefits for dependents provided herein shall be applicable only if the protected person is eligible for, has requested and is insured for such dependent benefits.

If a protected person or dependent is eligible for benefits under any other group policy issued by the Association, the amount payable under this policy shall be reduced by the amount payable under such other group policy.

PART A.
HOSPITAL EXPENSE BENEFITS

HOSPITAL ROOM BENEFIT. If a protected person or an eligible dependent, because of accidental bodily injuries or sickness, shall be confined as a resident patient in a hospital, the Association, provided such hospital confinement commences while the protected person or dependent is insured under this policy, will pay benefits for the expense actually incurred by the protected person for hospital room and board during the period of hospital confinement, but not to exceed \$20.00 per day nor to exceed 90 days for any one period of hospital confinement.

25.00 8/1/65

MISCELLANEOUS HOSPITAL EXPENSE BENEFITS. During the period of hospital confinement for which benefits are paid under the preceding paragraph, the Association will pay for the expense actually incurred by the protected person for all other necessary care and treatment for which the hospital makes a charge (excluding charges made by the protected person's or dependent's nurse or physician) together with the expense actually incurred for regular and customary charges made by the ambulance company for transportation to and from the hospital in an ambulance (up to \$25.00 for any one period of hospital confinement), but not to exceed 100% of the first \$202.50 of covered miscellaneous hospital expenses plus 80% of the balance, and not to exceed, in the aggregate, \$5,000.00 for all such expense incurred for any one period of hospital confinement.

OUTPATIENT SERVICE IN A RECOGNIZED HOSPITAL OR CLINIC. If a protected person or an eligible dependent shall, while insured under this policy and because of accidental injuries or sickness, receive outpatient services in a hospital or clinic listed by the American Hospital Association in their Guide Issue, the Association, providing no benefits are payable under any other provision of this policy, will pay for the expense actually incurred for such service of the type described in the policy under MISCELLANEOUS HOSPITAL EXPENSE BENEFITS, but not to exceed, in the aggregate, \$202.50 for any one accident or sickness.

SUCCESSIVE PERIODS OF HOSPITAL CONFINEMENT. Successive periods of hospital confinement shall be considered one period of hospital confinement unless:

- (1) In the case of a protected person, the subsequent confinement commences after return to active work on full time or unless the subsequent confinement is due to causes entirely unrelated to the causes of the previous confinement, or
- (2) In the case of a dependent, the subsequent confinement commences more than three months after the previous confinement or unless the subsequent confinement is due to causes entirely unrelated to the causes of the previous confinement.

MATERNITY BENEFITS. If a female protected person or a dependent wife, while insured under this policy, shall become confined in a hospital as a result of pregnancy, including resulting childbirth or miscarriage, the Association will pay benefits up to \$16.00 per day during the period of hospital confinement, but not to exceed 8 days for any one pregnancy, except that for a cesarean section or miscarriage, the Association will pay for the expense actually incurred during the period of hospital confinement for hospital care, treatment and service (of the type described under HOSPITAL ROOM BENEFIT and MISCELLANEOUS HOSPITAL EXPENSE BENEFITS) received by the female protected person or dependent wife in her own behalf, but not to exceed, for any one pregnancy, the limits specified for any one period of hospital confinement under HOSPITAL ROOM BENEFIT and MISCELLANEOUS HOSPITAL EXPENSE BENEFITS.

Moreover, any bassinet or nursery charges made by the hospital for any day on which both mother and child are jointly confined in the hospital shall be deemed to be expenses attributable to the mother only and shall not be Covered Charges of the child for any purpose under this policy.

In case the female protected person or dependent wife is not hospital confined at any time during pregnancy, but is cared for at home by a registered graduate nurse, the Association, provided maternity benefits would have been payable if the protected person or dependent wife was hospital confined, will pay for the expense actually incurred for such nurse's fees, but not to exceed \$36.00 for any one pregnancy.

Maternity benefits for female protected persons are not payable unless covered under a family enrollment.

EXCEPTION. This HOSPITAL EXPENSE BENEFITS provision does not cover pregnancy, including resulting childbirth or miscarriage, except as provided under MATERNITY BENEFITS. This provision is also subject to the EXCLUSIONS AND LIMITATIONS section of the General Provisions.

Repair - Plastic Surgery (continued) Surg. Anes.

| | | | |
|------|---|------|---|
| 0266 | each additional 1/2 inch | 1.0 | T |

|------|--|-----|
| 3611 | Pneumoperitoneum: intra-peritoneal injection of air, initial | 3.0 |
| 3612 | subsequent | 2.0 |
| 3614 | Retroperitoneal insufflation of air | 4.0 |

Repair

When bilateral hernia is present on day of surgical repair or when one is considered potential for surgical repair, postponement of surgical repair of companion potential hernia or hernia under three months will be considered a bilateral procedure for this schedule as if performed on the same day as one herniorrhaphy was performed.

| Suture | | | | | | | |
| 5731 | Blepharorrhaphy: suture of eyelid (see 0251 to 0252, 0265 to 0267). | | | | | | |
| 5734 | Tarsorrhaphy: suture of tarsal cartilage (see 0251 to 0252, 0265 to 0267). | | | | | | |
| 5737 | Canthorrhaphy: suture of palpebral fissure of canthus (see 0251 to 0252, 0265 to 0267). | | | | | | |
| | | CONJUNCTIVA | | | | | |
| Incision | | | | | | | |
| *5741 | Removal of foreign body from surface of conjunctiva | 1.0 | | | | | |
| *5742 | embedded in conjunctiva . . | 2.0 | | | | | |
| *5743 | Suture of conjunctiva | 3.0 | | | | | |
| Excision | | | | | | | |
| 5751 | Biopsy of conjunctiva | 5.0 | | | | | |
| *5753 | Excision of lesion of con- . . . | | | | | | |
| 5754 | junctiva: cyst | 5.0 | | | | | |
| | epithelioma (see 0178 to 0190, 0260 to 0325). | | | | | | |

| | | Surg. Anes. | | Surg. Anes. | |
|---------------------------|---|------------------|--|---------------------|---|
| 5755 | nevus (see 0178 to 0190, 0260 to 0325). | *5844 | subsequent | 1.5 | |
| Repair | | | | | |
| Conjunctivoplasty: | | | | | |
| 5771 | Free graft of conjunctiva (see 0295 to 0296). | Incision | | EAR | |
| 5773 | of mucous membrane (see 0295 to 0296). | *5901 | Drainage of abscess of auricle (see 0103). | 2.0 | |
| 5774 | Flap operation for corneal ulcer 15.0 | *5903 | Drainage of hematoma of auricle | 2.0 | |
| 5775 | Flap operation; "flapping" of conjunctiva for perforating injuries or operative wound . . 15.0 | *5905 | Drainage of abscess of external auditory canal | 2.0 | |
| 5776 | for laceration 7.5 | Excision | | EXTERNAL EAR | |
| 5777 | Repair of symblepharon without graft (see 0178 to 0190, 0260 to 0276). | 5911 | Biopsy of ear | 2.0 | |
| LACRIMAL TRACT | | 5914 | Local destruction of lesion of ear (see 0178). with plastic closure (see 0260 to 0325). | | |
| Incision | | 5915 | Complete excision of ear: amputation of ear | 20.0 | T |
| 5801 | Drainage of lacrimal gland (abscess). 10.0 | 5917 | Excision of exostosis of external auditory canal 20.0 | | T |
| 5803 | Drainage of lacrimal sac - dacryocystotomy or dacryocystostomy 7.5 | 5922 | Radical excision of malignant lesion of external auditory canal 60.0 | 12.0 | |
| 5804 | Dacryocystomy or dacryocystostomy, intranasal. 20.0 | 5924 | | | |
| Excision | | Endoscopy | | | |
| 5811 | Dacryoadenectomy: excision of lacrimal gland 50.0 | 5933 | Otoscopy with removal of foreign body in external auditory canal under general anesthesia 5.0 | 4.0 | |
| 5813 | Dacryocystectomy: excision of lacrimal sac 50.0 | | | | |
| 5815 | Excision of lacrimal gland tumor 50.0 | Repair | | | |
| Introduction | | 5941 | Otoplasty: plastic operation on ear (see 0260 to 0325). | | |
| 5821 | Catheterization of lacrimonasal duct, initial 10.0 | 5943 | Reconstruction of ear with graft of skin plus cartilage, bone or other implant (see 0260 to 0325, 0619 to 0622). | | |
| Repair | | 5947 | Otoplasty, of cartilage ("lop-ear"), with or without reduction in size (unilateral) . . 40.0 | 8.0 | |
| 5833 | Dacryocystorhinostomy: fistulization of lacrimal sac into nasal cavity, with or without anterior ethmoidectomy (Toti). 50.0 | 5948 | Otoplasty (bilateral) 60.0 | 11.0 | |
| *5835 | Closure of punctum by cautery 4.0 | Suture | | | |
| M | Manipulation | 5951 | Suture of wound or injury of ear (see 0251 to 0252, 0265 to 0267). | | |
| *5841 ⁸⁴ | Dilation of punctum 2.0 | Incision | MIDDLE EAR | | |
| *5843 | Probing of lacrimonasal duct, initial 3.0 | 5955 | Eustachian tube, catheterization and insufflation 1.5 | | |
